

Ohio Collaborative Dialysis Coalition

Dialysis = Life

Life-sustaining dialysis is delivered **safely, cost-effectively,** and with **great care** throughout **350 community-based centers** to Ohioans with end stage renal disease (ESRD).

Ohio dialysis clinics are **licensed** by the Ohio Department of Health, **certified** by the Centers for Medicare and Medicaid Services (CMS) and are **highly regulated** by state and federal laws.

More than 17,000 Ohioans depend on getting dialysis treatments **locally.** This helps to **limit their travel time** and **expenses** for their multiple treatments per week.

DIALYSIS CENTER

Fresh Market

PHARMACY

Ohio's dialysis providers are **committed to exceptional patient care** and investing in their employees and in the communities they serve.

Minorities are **disproportionately affected** by **end stage renal disease** (ESRD) and depend on access to dialysis in their communities.

Ohio's dialysis centers **meet and exceed national standards** for **quality** and **patient satisfaction.**

Convenient, high-quality, community-based dialysis centers are essential to the health of Ohio.
