AND CITY SERVICES HELP KEEP  
IT SAFE, CLEAN, AND HEALTHY.**

# VOTE TO MAINTAIN OUR QUALITY OF LIFE BY PROTECTING THE ESSENTIAL CITY SERVICES THAT HELP MAKE COLUMBUS A GREAT PLACE TO LIVE.

## Weekly Trash Pickup

Reader's Digest rated Columbus the "4th Cleanest City in America". That kind of achievement only comes from a proud community and regular refuse and yard waste collection. Issue 1 ensures weekly trash pickup and maintains frequent collection of bulk items.

## Accessible Health Centers

As more of us are forced to live on fixed incomes, keeping our community health centers open is vital. Plus, these City health services are the front lines of defense for virus outbreaks like West Nile Virus and H1N1 (the Swine Flu). Issue 1 protects these first responders.

## Well-Maintained Parks

Columbus has acres of city parks and miles of bicycle trails. Maintaining these community assets is expensive, but necessary for safe trails, tennis courts, and ball fields. Issue 1 ensures these areas remain a great place to spend time.

## Open Recreation Centers

Our recreation centers benefit everyone, with programs for all. The economy has forced us to tighten our belt and close 11 recreation centers, but Issue 1 will help keep centers open for everyone.

COLUMBUS IS A GREAT CITY. LET'S KEEP IT THAT WAY!
